

*"The best part of foxhunting is knowing that you have the greatest race of your life always ahead, waiting to be run ... and never wanting to be outfoxed! Hardaway's going, but he ain't gone yet."*

**Never Outfoxed, Benjamin H. Hardaway III**

ne meeting and you'll never forget him. One ribbing and you'll never forgive him. He's the King of foxhound breeders. The larger-than-life creator of a pack of hounds into which he has combined the most essential ingredients and a true believer in supporting friends, family and community as well as sporting activities.

Benjamin H. Hardaway III has spent a lifetime assembling an orchestra of great cry, nose and biddability and more than 50 years conducting it for the foxhunting world.

**NEVER OUTFOXED - IN FULL CRY**

 is a 90-minute DVD and VHS movie currently in editing about Ben Hardaway's life. At its heart, it is the story of a boy who fell in love with the chorus of the hounds one night in the Georgia woods; a glimpse into the life of a special man whose natural connection to hounds and hunting would lead him to create a new strain of foxhound now known as the Hardaway Crossbred recognized throughout the world.

**NEVER OUTFOXED - IN FULL CRY**

 is a chance for viewers to see the man and hear the voice which has inspired hundreds of packs across the green fields and forests from the USA to the British Isles, Australasia and Canada.

Through classic documentary techniques of scripting and interviews, **NEVER OUTFOXED - IN FULL CRY** will be rich with the highlights and lessons of a character best seen to be believed. It will be a lasting companion to Mr. Hardaway's autobiography **Never Outfoxed**.
